Students in Stanton Township Public School District have been on one-to-one devices with the use of Google Classrooms prior to the impact of virtual learning due to the pandemic. These same resources are what are utilized for virtual students in the District. Students receive additional one-on-one training with their teachers for class expectations, technology, and class procedures. This training is completed face to face with the student if at all possible. Students have access to teachers and staff during the week for additional assistance. Students also have the ability to schedule face-to-face meetings with teachers for one on one time.	Synchronous and Asynchronous
